

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How KnowledgePoints Grandville Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

KnowledgePoints offers reading and math tutoring (including Algebra and Geometry) to students in Kindergarten through 12th grade. Tutoring takes place in-person at students' schools, community locations, at the KnowledgePoints learning center, or in students' homes (one-on-one tutoring only). Tutoring takes place before or after school or on weekends. Sessions are usually 1-2 hours long, once or twice per week, depending on student/parent schedules. Tutors work with students individually and/or in small groups (5 students or fewer) to provide personalized instruction. KnowledgePoints' tutors are mostly state certified teachers. Our tutors use learning materials (including Continental Press' Finish Line series) that are aligned with the Michigan Curriculum Framework. All goals selected for students are informed by our pre-test and data provided by the school to create an instructional plan that best suits each student. With communication between our staff/tutors, schools/districts, and parents/guardians, we provide the best learning environment to ensure student success.

How Learning Disabilities Clinic Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Opened in 1968, LDC is a respected Detroit area business working with gifted, regular, remedial, and special education students, including learning disabled, emotionally impaired, head injured, cognitive impaired, speech and language impaired, hearing impaired, visually impaired, physically and health impaired, autistic spectrum, Asperger syndrome, Downs syndrome, and others. All teachers are Masters and Ph.D. level, and we provide one-to-one instruction ONLY. Students improve reading, math, social studies, science, study skills, test-taking, and time management. We also offer ACT Test Prep courses. Some students have earned college scholarships as a result of improved test scores. Study rooms have computers, software, and research based instructional materials. We are the only education clinic in the USA to earn accreditation by NCA. Tutoring lasts one to four hours, depending on student's attention span. We are open seven days at our location in Oak Park. Students are welcome from Kindergarten ? Grade 12.
